ExpertEdge Professional Library
Powered by Packt

EXPERT TECH COURSES

350+
TITLES IN THE COLLECTION

20+
TECHNOLOGY DOMAINS

300+
WORKING PRACTITIONER AUTHORS

Give your organization access to a library of in-depth, practitioner-authored content covering essential and emerging technologies.

Why ExpertEdge for Your Organization

Always Current
Stay current as technology evolves, with a minimum of 20 new titles added each year.

Depth Over Hype
Content is developed by the same world-class publishers behind Packt's eBooks and by the top 5% of subject-matter experts.

Career-Ready
Upon successful completion of a course, learners may earn a digital certificate.

Broad Technical Coverage
This series is built directly from Packt eBook content, creating a cohesive, multiple-format learning pathway
